

Declaration of Consent and Information on Data Processing under GDPR

Hand Vein Scanner

Under the General Data Protection Regulation we are under an obligation to inform you about our purposes in collecting your data and how we process those data. Would you please take some time to read this information, so that you gain an overview of the purpose, legal bases and conditions for processing.

In order to implement biometric controls over access points to sensitive parts of the security-restricted area at Graz Airport, we need to collect sensitive (biometric) data about you via a hand vein scanner. These data are supplied by you on a **voluntary** basis and will **only** be used by Flughafen Graz Betriebs GmbH **for the purpose specified here**. However, those data are indispensable to gaining electronic access to sensitive parts of our security-restricted area.

Data controller and contact details

The **data controller** is Flughafen Graz Betriebs GmbH, 8073 Feldkirchen bei Graz, Austria.

Purposes and legal bases of processing

Under the current legal situation, Flughafen Graz Betriebs GmbH is under an obligation to secure and control access to the sensitive parts of the security-restricted area. According to the Commission Implementing Regulation (EU) 2015/1998, Article 1.2.2.2, access to the sensitive part of the security-restricted area may be granted to a person through positive biometric identification. We process your personal data in accordance with data protection regulations, based on this **voluntary declaration of consent (provided under GDPR Article 9 (2) point a)**.

We use these data for the **purpose of biometric access control** only.
